

WELCOME TO YOUR WONDERFUL GUIDE TO OUR LIQUID DELIGHTS

a few tips to make your use of this guide as easy and enjoyable as possible.

due to the difficulties of stocking so many different drinks your first choice may not be available, on a bad day your second & third choices could also be out of stock...these are the days to avoid buying lottery tickets!

most of the guide is straight forward, if you're struggling though please ask for help.

if you have particular dietary requirement please let us know so we can ensure all your needs are met & options explained.

we have a simple guide for all our food & drink which is as follows:

- (v)** vegetarian
- (vg)** vegan
- (avg)** available as vegan
- (gf)** gluten free
- (agf)** available as gluten free

deaths door gin

£3.5

using Juniper berries that grow wild on washington island with coriander & fennel sourced from within the state, deaths door showcases how complementary and complex, simple expressions can be. big but balanced notes of all three botanicals appear clear as day, carried on a clean, creamy spirit.

garnish: mint

tonic: mediterranean

berry bros. & rudd london dry

berry bros. & rudd have enlisted the help of charles maxwell to recreate a gin produced by the wine and spirits merchants many moons ago. one bottle of the gin remains, which they have dated back to the 1950s. with a small vial of the gin, maxwell and his team have attempted to produce a flavour profile to match this antique expression, using juniper, coriander, angelica and winter savoury.

garnish: mint

tonic: aromatic

conker spirit dorset dry gin
